This convention will take place in the Hotel Medena (<http://www.hotelmedena.com>) in Trogir, Croatia. Trogir is a classic medieval walled city, only 30 km from the center of Split. The Hotel Medena is a few meters from a warm and alluring swim and overlooks the magnificent Adriatic Sea. Both Trogir and Split are listed as UNESCO protected cities so this convention offers a chance to experience one of the worlds most sought after tourist locations and have a super and sober time.

There will be meetings offered each day with speakers from around the world. The meeting rooms will be

available for smaller groups for those who may wish to hold meetings in their own languages, or for AI- Anon meetings. Hotel room rates are listed below and include optional breakfast AND dinner, as well as coffee and tea during the meetings. The Convention registration fee is 15€ and is payable upon arrival at the convention registration desk.

The Hotel Medena is located seven kilometers from the Split International airport (<http://www.split-airport.hr/>). The hotel provides a shuttle bus from the airport to the hotel every hour. Direct flights to Split are available on many national airlines, as well as budget airlines, and connections from the UK, the US, Europe and elsewhere may be made via Zagreb, Dubrovnik and Pula. Buses and trains to Split from these Croatian cities, and many others, operate frequently. Travelers from Greece or Italy may choose to travel by boat from Ancona or Bari. Please check the Jadrolinija (<http://www.jadrolinija.hr/default.aspx?lang=2>) or Blue Line (<http://www.blueline-ferries.com/>) schedules for arrival to and departure times from Split. Special hotel room rates for the convention are as follows:
